INTRODUCTION

The Athene Conference Centre boasts the best in modern day conferencing within it's Greek styled architecture and settings.

The main conference hall has been designed to cater for 400+ delegates, but can easily divided into four separate venues with different seating types and configurations. With its state-of-the-art equipment and being fully carpeted, air-conditioned, sound proofed and views overlooking the tranquil Marina, this is the perfect conferencing venue. Away from the hustle and bustle of city life, yet only one hour from Cape Town, it's the ideal place to unwind and re-focus on business objectives.

We offer a wide selection of 24 hour packages, which include accommodation and meals as well as day packages.

When the talking is over and the hard work is done, relax in a pool or indulge in a team building activity from our range of exciting water sports and recreational goodies-from tennis to squash. Follow this with a theme dinner or a cocktail on the Marine.
