

CLUB MYKONOS GIVES BACK TO LOCAL CHARITY

9 July 2014: Siyabonga, a local care center, received much need supplies and materials from the Club Mykonos staff this week. On the 9th July 2014 Club Mykonos staff set out for the Siyabonga Care Village located on the outskirts of Vredenburg. They were armed with some much needed linen and an outdoor play set.

Club Mykonos will continue to support the facility as they strive to positively impact those in need. The donation of linen and the outdoor play set is just one of the small ways in which the resort and its staff are getting involved.

General Manager Jon Kilroe-Smith commended Siyabonga on all the good they continue to do in the community and thanked all for their passion and dedication.

The mission of the Siyabonga Care Village is to care and provide for the sick, disabled and disadvantaged in our community. The staff at this facility are faced with countless challenges, but their efforts make an astronomical difference in the lives of those they assist.
