CLUB MYKONOS HOSTS SECOND ANNUAL BLOOD DRIVE

13 June 2015 – Club Mykonos hosted its second annual blood drive in honour of World Blood Donor day on 13 June 2015. The guest's, staff and the local community came out in force to give their time and life giving blood to the cause. The resort staff and guests understand the important role that the South African National Blood Services plays in saving lives on a daily basis and were only too keen to get on board and donate their 480 ml. Club Mykonos salutes all that made an effort to donate.

The resort is passionate about giving back and encourages both their guests and the local community members to continue to support initiatives such as this annual drive.

One unit of your donated blood could save up to three lives and with thousands of people requiring transfusions daily it is our duty to participate in this vitally important initiative.
