CANSA RAISES FUND WITH SHAVATHON

21 February 2015: Club Mykonos once again came out in full support of the annual CANSA Shavathon. The resort hosted a well-supported event in conjunction with their annual Mykonos Offshore Regatta on 21 February 2015.

As Saturday morning dawn there was a hive of excitement as the offshore participants set off for the pursuit race and the Shavathon participants began to spray and shave. During the course of the day over 80 people received new colourful hairstyles. All the proceeds brought in from the Shavathon went to our local chapter of the CANSA organisation.

It is amazing to see how an issue so serious and personal can be observed in such a way that it brings smiles to many faces. To everyone that is or has been affected by cancer, we salute you and hope that in some way this tiny gesture has made a difference.
