

CANSA SHAVATHON 2014

To support the annual CANSA Shavathon on the 28 February and 1 March, Club Mykonos is honoured to lend a hand, and will be contributing towards the worthy cause by working hand in hand with their local CANSA office to raise funds.

The Friday will be entirely dedicated to getting guests involved, telling them about the event and encouraging them to take part by shaving, gelling or spraying their hair for a small cost. The Saturday will give the public a chance to be part of the initiative, where they are hoping to get 800 odd offshore sailors in on the action. All proceeds brought in from the Shavathon will go to the CANSA organisation.

It is touching to see how an issue so serious and personal can be commemorated in such a way that is brings smiles so many faces. To everyone that is or has been affected by cancer, we salute you and hope that in some way this tiny gesture has made a difference.
