

PRESS RELEASE

GIVING BACK THIS MANDELA MONTH

15 July 2015 – This year in order to support Mandela Day Club Mykonos Resort in Langebaan has decided to give back for the duration of the month, not just the one day.

In addition to the gathering of necessary items for donation the resort invited some very excited youngsters to take a break at the resort.

Siyabonga Care Village arrived on the resort on Tuesday afternoon with 10 enthusiastic children who were there to experience their first real holiday. These very special guests were greeted on arrival with a heartfelt gift from the Club Mykonos staff, their very own Chester teddies to take home with them. They will be spending the next few days enjoying all the facilities that this family holiday destination has to offer.

Club Mykonos encourages all businesses and individuals to embrace the spirit of Mandela Day and give back in any way that they can. Something very small could mean a lot to a person in need.

The mission of the Siyabonga Care Village is to care and provide for the sick, disabled and disadvantaged in our community. The staff at this facility are faced with countless challenges, but their efforts make an astronomical difference in the lives of those they assist.
