CLUB MYKONOS RESORT EARNS 2019 TRIPADVISOR CERTIFICATE OF EXCELLENCE

29 May 2019: Club Mykonos today announced that it has received a TripAdvisor® Certificate of Excellence. Now in its ninth year, the achievement celebrates businesses that are consistently excellent – having earned great traveller reviews on TripAdvisor over the past year. Certificate of Excellence recipients include restaurants, accommodations and attractions located all over the world that have continually delivered a quality customer experience.

‘We would like to thank all our loyal guests and visitors for making this great achievement possible. We will not be able to do this without your valuable feedback and support.’ – Jon Kilroe-Smith (GM, Club Mykonos).

“TripAdvisor is excited to announce the recipients of the 2019 Certificate of Excellence, which for nearly a decade has celebrated businesses that have consistently received positive ratings from travellers and diners on the world’s largest travel platform,” said Neela Pal, Vice President of Brand, TripAdvisor. “This recognition allows us to publicly recognise businesses that are actively taking into account customer feedback to help travellers confidently experience the most highly reviewed places to eat, stay and explore.”

The Certificate of Excellence accounts for the quality, quantity and recency of reviews submitted by travellers on TripAdvisor over a 12-month period. To qualify, a business must maintain an overall TripAdvisor bubble rating of at least four out of five, have a minimum number of reviews and must have been listed on TripAdvisor for at least 12 months.
